### Greetings from within

A colleague received a Hari Raya card with the greeting in Malay, which roughly translates: "If we cannot meet/Let us forgive each other from afar/ This year the door is closed/ There will be no open house."

The sender gave his address as Pudu Jail, Kuala Lumpur.

He is Dato Harun, now in prison for corruption. The card also showed a cartoon drawing of the Dato greeting a visitor in jail, complete with barred door and window.
