An Amusing Report.

The following report of the killing of a python near the Warders' Barracks, Kuala Lumpur, recently was submitted to his superiors by a junior clerk of the Prison Staff, Kuala Lumpur :—

A PYTHON SHOT DEAD NEAR THE PUDOH GAOL.

At about 1.10 on the morning of the 12th instant a Bengalee, while passing along the Pudoh Road from Kuala Lumpur, saw a Python coming out from the side of the Sub-Warders' Barracks of the Pudoh Gaol. As the spot was under the rays of the electric light he was able to see the reptile clearly moving with its hooded wings seeing the electric light with joy. Then the Bengalee came to the Sub-Warders' Barracks and awoke them saying that there was a big snake, who on hearing this went with big sticks of wood and saw the creature in its full shape. Fearing the creature might injure them if they were to attempt to beat with sticks, they sent for the Acting Chief Warder Mr. A. E. Gough, who in response to their call went with a gun and shot it with a No 3 bullet on its head which gave an instantaneous way for the creature to go for its rest. The Python measured 12 feet 2 inches and Mr. John Galloway has got its skin preserved.
